RIGHTS & LICENSING MARKET

In the heart of one of the major international comic book events, the Rights & Licensing Market aims at meeting the demands of all comic book professionals attending the Festival in Angoulême.

It's a meeting place where bonds can be tied and dialogues exchanged between rights beneficiaries and agents with publishers, manufacturers, retailers, communication agencies, TV channels, producers, etc...

It also offers an area for conferences and round tables.

Exhibition Area

The hub of the 7000 professionals attending the festival, with a rich offer of more than 1500 characters and universe.

It constitutes a real bridge between the comics' world and the potential licencees. Rent your own booth : 4m2 or 6m2 units.

Meeting Area

A quiet place nearby the booths where you can arrange your professional meetings and where you can also enjoy a friendly bar just to relax.

Conference and Demonstration Area

Offering a rich and diverse program :

- Conferences and round tables dedicated to rights and licensing
- Pitching for your potential clients.
